There are 3 ways to join the seminar.
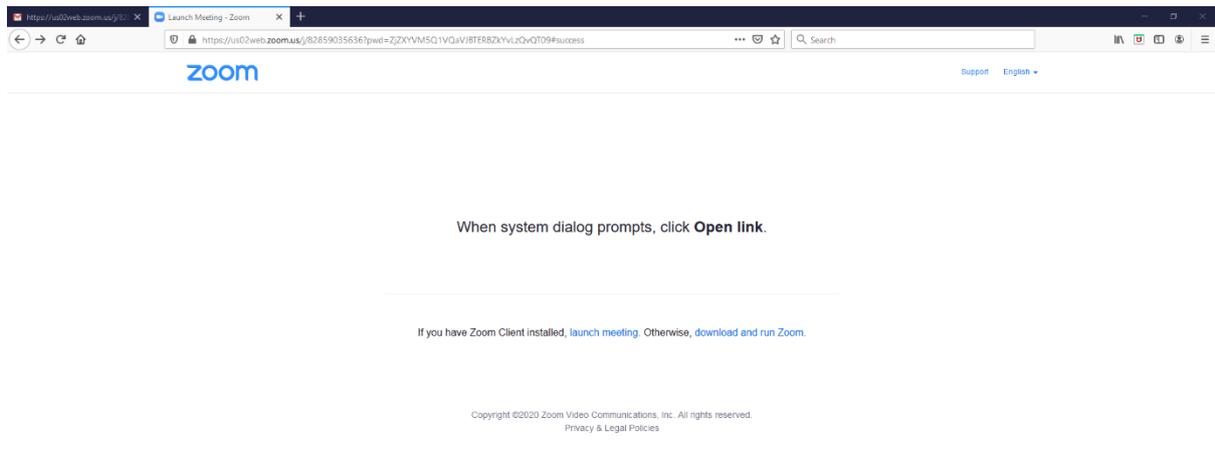

Zoom users – just click on the link as per normal.

Enter your email (the one you used to view this webinar) and Name (including surname).

Click on join webinar

New to zoom – There are 2 options.
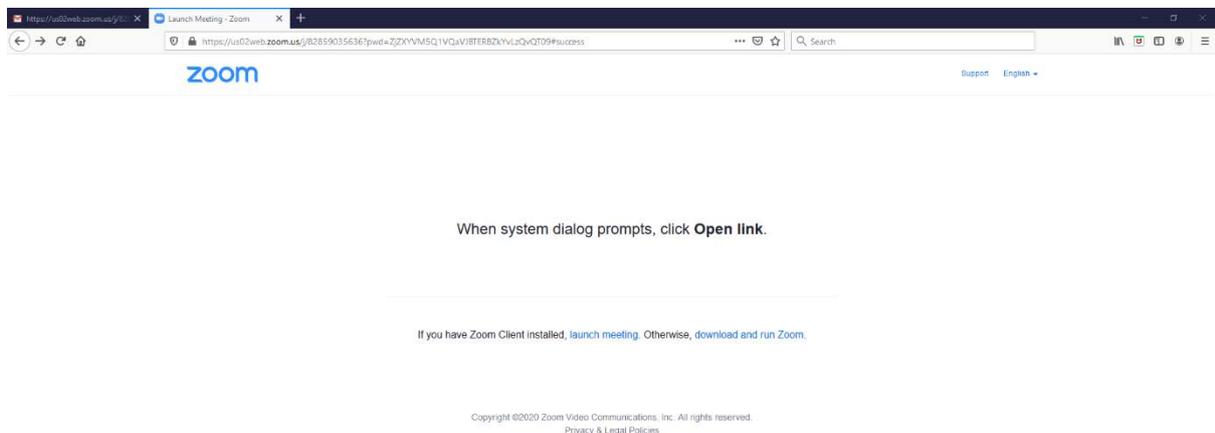

Option 1 Download the software

Click on the website link provided and then click on the 'Download and run zoom'(see image below).

Run the download and once this has opened follow the instruction as Zoom user above.

Option 2 – Join from your browser (as opposed to downloading).

Click on the website link provided and then click on the 'launch meeting' once this has opened (see image below).
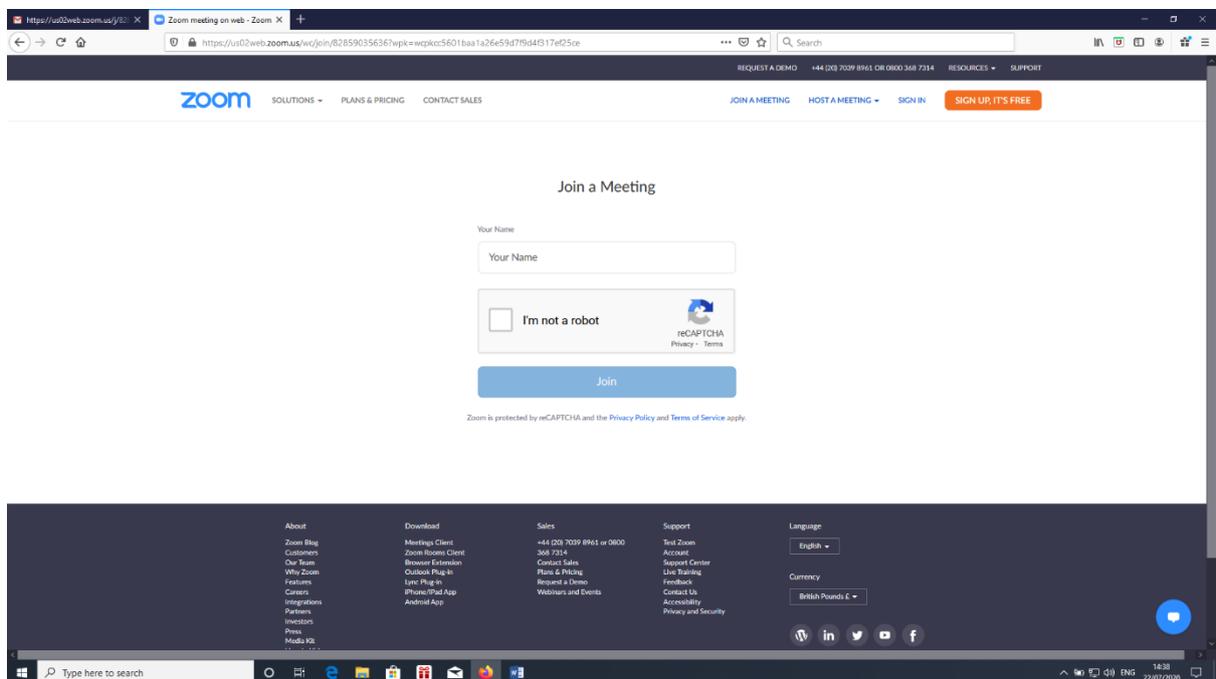

Click on 'join from your browser' (see image below).

Enter your name and tick the 'I'm not a robot' and answer the question if needed (see below)

Then click on join (see below)

Add your email address (the one you provided when booking this webinar)

If prompted to agree to Zoom's Terms of Service and Privacy policy do so.
